INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, Applicants wish to call to the attention of the Examiner the enclosed "List of References Cited by Applicants." The right is reserved to antedate any item in accordance with standard procedure.

Applicants respectfully submit that references 1 and 2 of the cited documents are voluminous foreign patent publications which would be burdensome both for Applicants to print and mail, and for the USPTO to receive, store and handle. Therefore, in the interest of reducing the burden on both Applicants and the USPTO, Applicants submit herewith two (2) CD-R disks containing an Adobe Acrobat (.pdf) file downloaded from Micropat containing the entirety of the cited foreign applications. In addition, it is noted that Examiner Cecilia Tsang of TC 1600 assured Diana Hamlet-Cox of Incyte Corporation, that the USPTO has electronic access to published PCT applications (see M.P.E.P. § 901.05(c)), so additional paper copies of such references would be duplicative.

Reference 1 is listed below and comprises the indicated number of pages.

<u>Foreign Patent Document</u>	<u>No. Pages</u>
WO 01/07470	87 pages
WO 01/59063	1706 pages

Citation of the documents is not to be construed as an admission that the documents are necessarily prior art with respect to the instant invention. This submission is understood to complement the results of the Examiner's own independent search. Citation of the documents shall not be construed as a representation that a search has been made or that the cited items are inclusive of all the relevant and material citations that may be available publicly. Any NCBI report included herein may not have an accurate date for prior art purposes. Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

Applicants respectfully request that the cited documents be considered by the Examiner and that an initialed copy of the List of References Cited by Applicants be returned to Applicants.

It is believed that this disclosure complies with 37 CFR §§ 1.56, 1.97 and 1.98 and the Manual of Patent Examining Procedures § 609. If for some reason the Examiner considers otherwise, please telephone the undersigned.

Applicants believe that no fee is due with this paper. However, if the Commissioner determines that a fee is necessary, the Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 09-0108.

If there are any questions regarding the above, the Examiner is invited to call the undersigned.

Respectfully submitted,

INCYTE CORPORATION
